QUOTES

"Life is a series of natural and spontaneous changes.

Don't resist them: ..."

-Lao Tzu

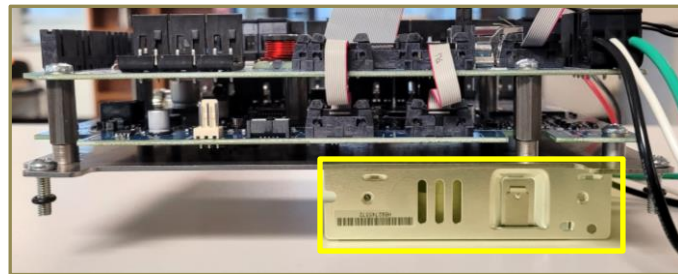

"It is not the strongest of the species that survive, nor the most intelligent, but the one most responsive to change."

- C. Darwin

"See, I am doing a new thing."

- ISA 43:19

AC POWER SUPPLY CHANGE

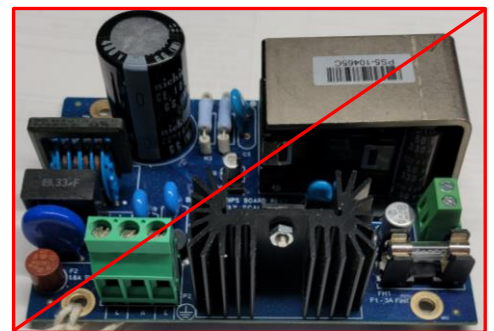

Special edition of the bulletin to announce a part change.

The Belt-Way AC Power Supply has been updated. The new part occupies the same space in the enclosure. However, it mounts to standoffs on the underside of the the back panel, not to the base of the enclosure.

Replacement parts will ship attached to a new back panel for compatibility. Limited supply of the original part will remain available until stock is depleted.

SPECIFICATION	NEW PART	OLD PART
AC Input Voltage	85-264VAC, 47~63 Hz	90-265VAC, 50~60 Hz
AC Input Current	1.4A/115V, 0.85A/230V	1.0A/115VAC
DC Output	24V, 3.2A	24V, 2.25A
Rated Power	75W	54W
Operating Temp	-30°C to 70°C	-20°C to 45°C
Certifications	See Below*	CE
